CP Mag: Hey PH! So what's all the construction in the Plaza?
PH: G'day! That'll be the new Puffle Hotel, where penguins can bring their pets to be pampered!

CP Mag: Cool! Is it just for the Puffle Party?
PH: No way, the Puffle Hotel is here to stay, and it's super tall for a very special reason...

CP Mag: What's that?
PH: Crikey, haven't you heard? I've spotted a cloud heading towards Club Penguin, and it's full of fluffy things...

CP Mag: Uh, like, smaller clouds?
PH: No, puffles! But that's not the most amazing part...

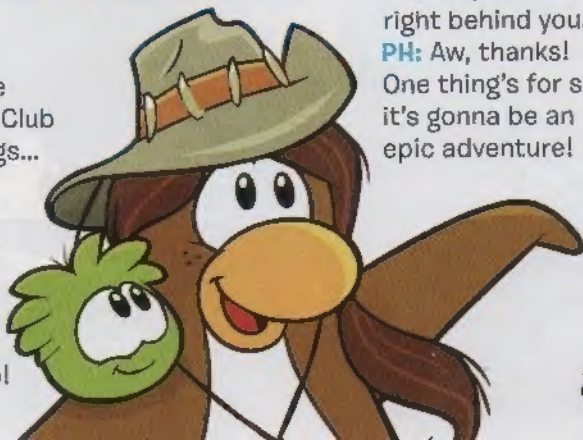

CP Mag: It's also full of fish dogs?
PH: No, RAINBOW puffles, by dingol! Loads of them!

CP Mag: Hey PH, y'know how each puffle colour has its own personality?
PH: Sure that's right...

CP Mag: What do you think a Rainbow puffle will be like? Crazy? Serious? Intense?
PH: Haha, first we have to get to the cloud to find out, which won't be easy.

CP Mag: Well good luck PH, we're all right behind you.
PH: Aw, thanks! One thing's for sure, it's gonna be an epic adventure!

E is for...

Earth Day

If you like the Earth (and let's face it, what penguin doesn't?) then this party is for you. We should all respect wild animals and trees. Except for mean polar bears.

Earthquake Drill

Herbert invented this to drill under Club Penguin and make earthquakes! Luckily he forgot to invent a reverse gear so his plan failed.

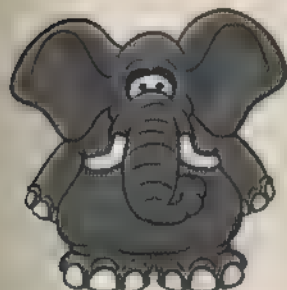

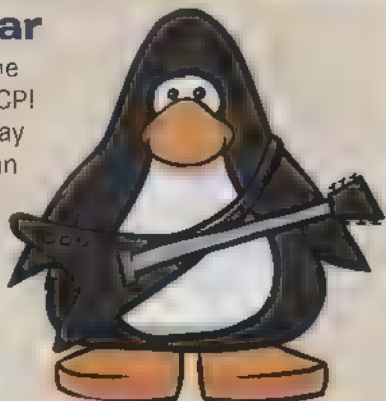

Easter Egg

Hunting for stuff is cool, especially Easter Eggs. One time I spent two days hunting for my sunglasses. They were hiding on my nose the whole time!

Electric Guitar

The Electric Guitar is the coolest instrument on CP! A crab told me if you play one loud enough you can make a puffle change colour, but crabs have CRAZY imaginations.

Elephant Costume

They say elephants never forget, so I decided to wear this costume to the EPF HQ one day. Trouble is I forgot the way! They lied.

Elite Puffles

These fierce furballs have been specially trained in the Puffle Training Room to help EPF agents on their missions! Agents can call them with a Puffle Whistle.

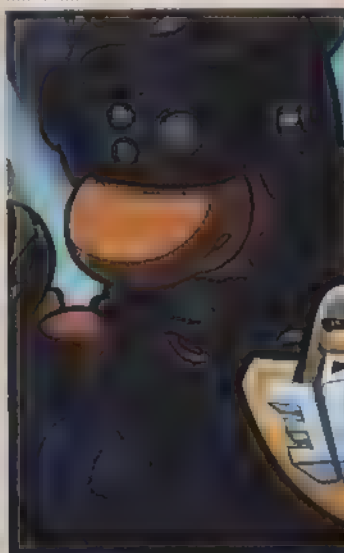

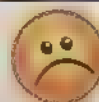

Emoticons

Emotes are a cool way to express your feelings, and even win stamps! My favourite is the pizza emote. Mmm, cheesy.

SECRETS

There is a secret area which can be found by pressing E and D together.

EPF

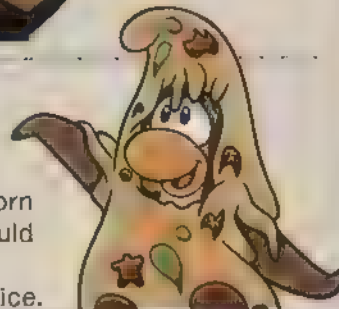

Herbert calls the EPF 'Elite Penguin Fools'. He's smart with words and talks funny. Just like Gary, come to think of it. HEY! How come you never see those two at the same time?

Oh actually you do, a lot. Phew. Conspiracy averted.

Extra Cheesy Costume

WARNING - this snazzy costume should not be worn in the Pizza Parlor. You could get pecked by a peckish penguin. And that is not nice.

Eyepatch

Wearing one of these makes you look like a pirate! Wearing two of these makes you bump into things.

Next issue, **F** is for Fish Dog, Forest, Frankie and more!

Hey mates! I love visiting far-off places, but that's nothing compared to these intrepid wild animal travellers.

PLANET

All about wild animals and caring for our world.

SEA TURTLES

Baby loggerhead sea turtles can migrate along an 8,000-mile route the first time they ever travel on it! These tuned-in travellers know which way to go by sensing the magnetism of the earth. Neat, huh?

Animal Migration

is the travelling of long distances to find new habitats

Name:

Caribou

Also called reindeer, these animals set off every summer to feed on the fresh grasses of the tundra. Every year 3 million of them tramp over 600 miles, and they know the way, like the back of their nooves!

Creature Close-up

African Elephant

African elephants have HUGE appetites, so they have to keep travelling around all their lives to find new food. Eventually they return to the old places after the food has grown back!
